This rare, vacant lot is located in one of the most convenient locations in Oxley. Within a 500m walk is Woolworths, numerous coffee shops, restaurants, boutiques, bakeries, pharmacy and medical centre. Only 6 minutes walk to the train station and a 23 minute ride into the CBD. Just one of a few vacant lots available in Oxley at the moment, this parcel of land is over the normal size for a subdivision at 400m² with a 9.9m frontage and 39.8m. Build your dream home exactly as you would like it, with room for the kids to run around in a garden and perhaps a pool. Water, sewerage and stormwater are connected to the block. Provisions for electricity are overhead. Please contact the agent for an onsite inspection.
