This fantastic modern home is everything you could want in a large 4 bedroom property within a 5 minute walk to all Rosedale has to offer. The modern open plan layout boasts a stunning kitchen opening onto a second living and dining area and a large all year round entertaining deck. I even have seen a lot of master bedrooms in my job and this house has one of the best, with a ensuite to equal any family size bathroom and a huge his and hers walk in robe. The other 3 bedrooms are all a great size and feature built in robes and plenty of space and storage throughout the home for the modern growing family. The 2 living spaces in this home are perfect for entertaining and allowing space for the adults to relax whilst the kids have playroom and a separate area to make the most of family living. The shed is every mans dream and stands 15 metres x 9 metres with side access from the road and dual doors and workshop. This amazing shed also boasts full power and plumbing. All of this, if you had to replicate on a block this size in the heart of town with all it has to offer would cost a lot, and with the delays in new builds being up to 12 months, this ready made huge modern home is well worth an inspection. Huge, modern, massive shed, 4 bedrooms, 2 living areas and 5 minutes walk to town, what more could you ask for!
