This tidy brick and tile home is set on an easy care level , fenced block. Close to medical practitioners, playing fields & schools its a great family location. Two good sized living areas compliment the galley style kitchen/dining space with a fully enclosed garden room off to the rear for year round entertaining. The master suits has a large walk in shower in the ensuite & is separate from the other bedrooms. The family bathroom has a huge corner spa, with separate shower and toilet. The three bedrooms are functional and offer a pleasant outlook through established gardens. There is plenty of off street parking on offer for boats, vans and cars with a single garage, huge carport plus extra driveway room right to the boundary fence. The fully fenced yard has established gardens & a green house plus separate fenced sections. Wood fire, air conditioner in master bedroom, and 6.5 kilowatt solar system. A wonderful position with a great outlook.
