Start date end June (negotiable) This weatherboard house has undergone a full renovation to a high standard of luxury, while retaining much of its original character. When you enter the front door and look out through the bifold doors and onto the large undercover outdoor entertainment area, you will feel right at home. The block is 1700m with a large gravel pad at the back perfect for trailers, boats and caravan storage or friends coming to stay. The master bedroom has a walk-in robe and ensuite with double shower and double vanity. Two double bedrooms with robes and a large fourth bedroom or second living area. Main bathroom with bath, rain shower and separate double vanity and a separate toilet and sink. The large open plan living area has a European wood heater, large dining space, modern kitchen with breakfast bar for 6, a 900mm induction cooktop, double oven and a double drawer dishwasher. The six meter long walk around scullery has storage to die for. There are white plantation shutters on all windows, ducted heating and cooling throughout including the bathrooms which also have heated towels for each vanity, freshly polished floorboards throughout and a 6 x 6 meter garage. The location is fantastic and only three blocks from the town centre and local swimming pool. Start enjoying all that thriving Trentham has to offer including coffee, cakes, bakeries, pubs, exquisite dining, renowned golf course, waterfalls and more.
