Dive into the potential that awaits in this spacious character home, nestled on a large 1,137 sq. metre (approx.) block ripe for redevelopment (STCA). Whether you want to move in, invest, or consider its many other options, it offers plenty of opportunities within a peaceful seaside neighbourhood. A unique design sits beyond a weatherboard facade, bringing back memories of beachside holidays while enjoying a renovated style ready for the modern day. The rear lounge's timber kitchen features stone counters around quality appliances, opening up to a covered deck and a huge yard with two large worksheds. Four bedrooms separate the two living zones with a central bathroom and toilet, with additional features including a full-sized laundry, split-system air conditioning, and a single carport. Live the Seaford dream just moments from St Annes and Belvedere Park primary schools, with buses, Austin Road shops, Eastlink and Peninsula freeway access, and the beautiful Seaford foreshore all with easy reach.
