This lovely Circa 1940s home has something on offer for everyone. With 2/3 Bedrooms 'main bedroom includes ensuite, walk in robe, a/c and fan', second bedroom includes built ins, a/c and fan and the third bedroom/sunroom or office is light filled and lends itself to an amazing craft room. The open plan air conditioned and evaporative cooled living area is very generous and features a large lounge space, large dining area, polished floors and is air conditioned and evaporative cooled. The modern 2pac kitchen with chef quality gas stove/ oven is a feature of the home and would be a joy to cook in. A recent bathroom up grade, fresh paint and lovely presentation throughout adds to the appeal. The front veranda and enormous outdoor areas will suit for entertaining and the private rear yard leading to two large garages has plenty of room for the multi car enthusiast. Out the back is a garden shed and large rainwater tank. Back access is available and there is plenty of room to possibly add a granny flat if required. The 1619m² block is well fenced for pets and this lovely home is situated a short walk from Oakey's main street and access to all amenities. Imagine being able to save on fuel and leave the car at home. Toowoomba town water and sewage is connected and the home has undergone extensive building work with a renewed roof and now sits on adjustable stumps. This home has so much to offer. Book your inspection as soon as possible.
