New to the market in the picturesque heritage village of Oatlands you now have the opportunity to buy an acre block of light industrial zoned land, which is the only thing like it anywhere close by. This zoning allows you to build a very large garage, or for a business to be run from the property S.T.C.A. With growing tourism every year there are more and more people visiting Oatlands while travelling up and down the midlands highway. Land like this does not come up often, so for more information call Peter Lees Real Estate today.*Peter Lees Real Estate has used a variety of sources to obtain information relating to this property. We believe all are reliable sources and have no reason to doubt the accuracy of the information, however, we cannot guarantee it. Prospective purchasers are advised to make their own enquiries.
