Perfectly positioned in downtown Bairnsdale, this classic double brick home exudes charm and character, having recently been refurbished to bring this 100+ year old home into the 21st century. The original home remains and features a grand central hallway, leading down to an extension which is a light filled space designed with the large family in mind. The well appointed kitchen boasts plenty of bench space for the home chef, as well as brand new stainless steel appliances. The adjoining dining and lounge space feature perfectly positioned glass sliding doors to take advantage of the northern aspect. This grand home also features five bedrooms, four with fireplaces and each with vinyl timber flooring. There is also an additional sixth bedroom/study as well as two full sized bathrooms that feature a modern colour scheme. Stepping outside, there is a blank canvas awaiting your cottage garden and tool shed - ready to make your Pinterest dreams come true! If you have been searching for a property that truly blends the best of yesteryear with today's modern living, look no further than 38 Grant Street, Bairnsdale.
