Combining classic charm with contemporary attributes, this tasteful residence is one you'll love coming home to with its fluid design delivering the perfect ambience for everyday enjoyment opposite Charles Rooks Reserve and in the Vermont Secondary Zone (STSA). From its covered entry porch and delightful garden, you're welcomed into the lounge room that's illuminated with natural light and complemented by polished floorboards that flow through to the adjacent dining area. A wonderful u-shaped kitchen provides plenty of storage space and provides a stylish tone with stainless steel appliances including a gas stove, oven and dishwasher. Tucked down the hallway for added peace and privacy, the three bedrooms ensure a restful night's sleep and are serviced by a bathroom with toilet and separate laundry with 2nd toilet. Enjoying the added appeal of ducted heating, split system air conditioning, garden shed plus a single carport. A brilliant opportunity for first homebuyers, downsizers and investors, close to Mount Pleasant Road Primary, Vermont Secondary, Brentford Square Shopping Centre, Nunawading & Mitcham stations, Forest Hill Chase, Aqualink Recreation Centre and EastLink.
