This beautifully presented home is conveniently located in a fantastic area. It features three carpeted bedrooms, two with built-in robes. The Main bedroom has a walk-in robe and an ensuite with a walk-in shower. The open-plan living space is designed for comfort and functionality, ideal for the climate and temperature-controlled with air conditioning. The kitchen is well equipped with plenty of storage and bench space, a gas cooktop, and a dishwasher. Designed with practicality in mind, this home features an office nook just off the dining area, perfect for those who work from home. The well-sized laundry room provides direct access outside, making chores a breeze. The main bathroom, complete with a walk-in shower and separate bath, is ideal for families. Plus, the separate toilet adds an extra layer of convenience. The undercover patio, accessible by large sliding doors, offers a private retreat. These doors allow air to flow through the home during summer. The private patio is a serene spot to relax and unwind, overlooking the backyard. As a bonus, with no rear neighbours, you can enjoy the peace and quiet of the country while living just moments from town. Please allow at least 24 hours for inspections.
