This stunning two storey home offers a stylish living on a over one acre of near level private hills environment. An exceptional indoor/outdoor entertainer with generous living expanses moving seamlessly to a view side balcony and alfresco decking. This state-of-the-art home is cleverly designed for family practicality with spacious bedrooms and gorgeous bathrooms including master bedroom with deluxe ensuite with huge robe and balcony. There are stylish options to entertain including the formal dining room plus formal lounge showcasing a relaxing slow combustion fireplace. Work from home in the beautifully fitted office space in the parents upstairs retreat whilst the superb streamlined kitchen with stone waterfall bench-tops is simply flawless and oozes first class appliances such as double ovens (top oven being a convection oven), gas cooktop and splendid pantry. Timeless quality and luxury are reflected in a perfectionist approach to appointment throughout with luscious jarrah timber floors on the lower level, economical solar water heating and 5kw solar power, loads of storage solutions, double auto garage under main roof plus side access to workshop. A picture of perfection in a low-traffic area close to Roleystone Village and excellent schools close by - this home is a must see and if its executive living you are after then this home is for you.
