Invest in a unique opportunity to acquire two distinct maisonettes, each possessing individual titles. These properties, available for purchase either individually or as a package, boast a three-bedroom layout, with the interiors mirroring each other. Both residences are equipped with split system air-conditioning, ensuring optimal comfort. The modern conveniences of electric cooking and electric hot water further enhance the desirability of these homes. Providing convenient undercover parking, both properties feature carports. While it is important to note that both maisonettes require some refurbishment, we present them in their current condition, leaving no room for surprises. The existing tenants, who have resided in these properties for an extensive period, express a keen interest in remaining as tenants. 36 Stone - the tenants occupy the premises under a periodic lease, paying a rental amount of \$210 per week. 38 Stone - the tenants are in a fixed lease, paying a weekly rent of \$175. Please be advised that viewings are available exclusively by appointment only. Our first open home is scheduled for Wednesday, the 19th of July, between 4:45 PM - 5:30PM.
