The home has been tastefully renovated over years with eco living front of mind featuring double glazed windows and landscaping that cool the home in summer. A light filled open plan living area greets you upon entry, with its stunning hardwood flooring and framed built-in window seat. The living and dining connect beautifully with the modern kitchen that includes stone benchtops, an abundance of drawer storage, quality Siemens appliances (pyrolytic oven & combination steam oven) and pantry. The dining flows seamlessly via French doors to the beautiful front entertaining area that includes a huge built-in umbrella. There are 3 bedrooms, all a good sized and serviced by a modern central bathroom. At the rear, there is an abundance of decked entertaining space and lush but low maintenance gardens. Features we love:- Wood fired pizza oven in the rear yard- Large garden shed- Solar PV System- Solar Hot Water System
