Nestled in the heart of Kettering, a masterpiece of architectural brilliance and natural beauty awaits. Welcome to this exclusive 2-bedroom sanctuary, a haven of peace and privacy. Constructed from the finest Tasmanian Hardwood, this property is not just a home; it's a testament to sustainable luxury and design. Awarded the prestigious James Blackburn Architectural Award in 1994, it stands as a beacon of innovative living. Step inside to discover an amazing layout that does more than just impress. Designed to harmonise with its surroundings, every room offers uninterrupted views through the building, over the lush Australian bush, and onto the pristine waters of the D'Entrecasteaux Channel. With two well-appointed bedrooms and bathrooms, comfort meets elegance in every corner. But what truly sets this home apart is its connection to nature. Situated on a private 6.6 acre title, this home offers an escape into a world of beauty and tranquility. The extensive glazing and picture windows frame the ever-changing vistas & scenes of Australian fauna showcased by dappled sunlight through peppermint gums, creating living artworks of the surrounding landscape. Imagine living in what feels like an adult version of a treehouse. Here, you can immerse yourself in the symphony of native birdlife or watch the serene movements of boats at the Oyster Cove Marina, all from the comfort of your living room. This is not just a home; it's a retreat, a place where every day is an adventure waiting to be discovered. In Kettering, Tasmania, your dream lifestyle awaits. Seize the opportunity to make it yours.
