World-class architecture combines with bespoke design in this glamorous penthouse-style apartment to create an exceptional city residence wrapped in awe-inspiring 270-degree views over Sydney Harbour and across the iconic city skyline to the Blue Mountains and out towards Bondi. Holding a coveted north-west corner position in the landmark Horizon, the three-bedroom apartment is perched high on level 38 affording an incredible sense of peace and privacy with captivating views from every room that are beautiful by day, magic at sunset and spectacular by night. Recreated by William Smart of Smart Design Studio, the apartment's curved lines reference the signature wave-like form of Horizon's balconies with a timeless monochrome palette that lets Sydney's famed iconography take centre stage. Exceptional attention to detail and a streamlined approach to luxury living delivers a perfect home for entertaining against one of the world's most celebrated views with a state-of-the-art kitchen as the social heart and sanctuary like bedrooms complemented by only the finest fixtures and finishes. An adaptable layout with a sliding door system to create a private third bedroom or extend the oversized living space is complemented by finishes in honed marble, silk and linen that create a visual feast and provide the perfect environment to showcase art.
