What a rare offering this is. 5.366 hectares of beautiful bush land with a circa 1992 brick house which offers ultimate privacy. There is even a slice of rainforest and man fern jungle. The house has level access and easy parking in the double carport. As you walk into the large living room you are greeted by beautiful cathedral ceilings and floating timber floors. The kitchen is a classic solid blackwood one with walk in pantry, wall oven and dishwasher. With 3 double bedrooms, the main featuring an ensuite and all having built ins. The main bathroom features a bath and a separate shower. A reverse cycle heat pump provides year-round comfort. All this just in 15 minutes' drive from the Hobart CBD!
