Experience Nature's Symphony from Your Verandah. Indulge in the tranquility of country living with breathtaking views that greet you each morning. Imagine sipping your coffee on the expansive verandah, enveloped by the serene sounds of chirping birds and the majestic natural vista stretching as far as the eye can see. Your Canvas for Country Living. Situated on over 6 acres of prime land, this country-style home invites you to unlock its full potential. The steel-stumped 3-bedroom residence boasts a classic bullnose verandah, perfect for unwinding after a long day. With spacious decks, power, solar panels, and established gardens, this property offers the ideal foundation for renovation enthusiasts to craft their dream abode. Endless Possibilities. Additionally, seize the opportunity presented by the powered 6 x 9 shed, complete with air conditioning and water connections, previously utilized as a home office. Water needs are effortlessly met with a generous 20,000-litre storage tank and a convenient dam on the property. A Haven for Your Furry Friends. Catering to the needs of your beloved animals, this property features two animal shelters, a vet crush, and a yard area, all complemented by a top paddock predominantly dog fenced, ensuring their safety and comfort. Your Country Dream Awaits. Escape the hustle and bustle of city life and immerse yourself in the tranquility of rural living. This value-packed property offers the perfect opportunity to bring your country dream to life, with an abundance of nature at your doorstep. Conveniently Located. Situated just 15km from the thriving township of Blackbutt, Queensland, convenience meets tranquility in this idyllic countryside retreat.
