This 3 bedroom property comes with some additional storage or accommodation potential and has been stylishly renovated inside and out. Fresh white paintwork and timber-style floating floors enhance the sense of space and light, creating a comfortable home which will be embraced by those needing the flexible options on offer, whether first home buyers or families. It would also make an astute investment in this convenient location. Beyond the spacious front garden and driveway to a single carport, a few steps lead up to an enclosed porch room. This is ideal for storing coats and muddy boots before stepping inside where you'll discover spacious open-plan living/dining with A/C unit. The new kitchen has plenty of bench space and a freestanding gas oven/cooktop. A hallway leads to 3 bright bedrooms, 2 with robe space and 1 with a built-in robe. These are serviced by an updated bathroom with shower over bath and vanity, plus a separate toilet, and a laundry which gives you access to the garden. Outside, the large, private rear garden boasts a range of outbuildings including shed, greenhouse and 2 single room studios, which could be perfect for working from home or as additional accommodation. Set on a quiet street near a reserve, the family-friendly location is also just 3 minutes to primary and secondary schools, local shops, parks, Pines Forest Aquatic Centre, and freeway access. • Renovated throughout • 2700mm ceilings • Living/dining/kitchen • 3BRs, updated bathroom • Large gardens, tandem carport, OSP • 2 multi-purpose studios • A/C unit, ZeroWire security system <https://www.obrienrealestate.com.au/office/obrien-real-estate-frankston/22161>
