Capturing an awe-inspiring vista with uninterrupted views from the Yarra Valley to the city skyline and beyond, this tranquil haven in the foothills of the Dandenong Ranges is a nature lover's paradise where you can enjoy magical sunsets with picturesque walking trails on your doorstep. Blending into its natural surrounds on a generous 1231m² (approx.) allotment, the tri-level residence is a showpiece of architectural brilliance with soaring ceilings, timber accents and full-length, atrium-style windows that perfectly frame the panoramic outlook. The well-considered design features multiple living zones, a galley-style kitchen and a dining area that flows onto a huge entertaining deck where you can host fun-filled barbecues or simply relax amidst the sound of birdsong and enjoy the breathtaking scenery. All bedrooms are generous in size, including the master with a walk-in robe and ensuite, plus a private fourth bedroom on the lower level with an adjoining living area and its own access, making it an ideal teenage or guest retreat. Complete with a roaring open fireplace for wintry nights, ample underhouse storage, a double carport, additional off-street parking and three street frontages, the property is situated in a quiet, blue-chip location just minutes to shops, schools, transport and other amenities. Warm and inviting throughout with potential to add your own touches, this incredible offering is one not to be missed.
