Rarely do properties capture the essence of Byron Shire living so perfectly as this one. An original beach house from the halcyon days of years past, this incredible Suffolk Park sanctuary has been exquisitely revitalised into a breathtaking coastal oasis. Commanding a premium position on exclusive Brandon Street (just one street back from spectacular Tallow Beach) this unique beachside haven promises a dream-like lifestyle for families or holiday makers. Enveloped by lush tropical gardens, the main residence reveals a distinctive octagonal layout, centring the living, dining and kitchen areas at the heart of the home. White washed walls, soaring high-raked ceilings and exposed timber beams lends a character-rich warmth to the freshness of the coastal environment. The quality kitchen with stylish brushed brass accents features stone benchtops, gas cooking and an integrated dishwasher - 'must haves' for any home chef. Choose from three beautiful bedrooms each with those impressive high ceilings, while the contemporary family bathroom features a standalone tub and serene views over the gardens. The piece de resistance of this exceptional property are the magnificent resort-style grounds. Stepping from the main house onto the expansive covered entertaining area, you're greeted with a view over palm-lined gardens to a gorgeous in-ground swimming pool with sun-drenched deck and day bed area. Relax with friends in a choice of alfresco zones, including the built-in bar with a sink - perfect for mixing your favourite poolside cocktails. A separate one bedroom studio with modern ensuite makes the ideal guest/teen or nanny retreat, or the most charming 'work from home', art studio or yoga zone. Overlooking the pool, it's a peaceful hideaway that adds to the versatility of this exceptional residence. As practical as it is beautiful, there's a generous storage area to the rear for all the toys, while the carport offers off street parking for two vehicles.
