\$840,000

A great opportunity to own a home to live in now with the potential to build duplexes (S.T.C.A). This lovely 3 bedroom home is in a great location for families with major local shopping centres & local schools close by, easy access to public transport to Liverpool, Cabramatta, Bonnyrigg & Parramatta on the T-Way. The other future benefit is the close proximity to the Western Sydney Airport when it opens. With approximately 613sqm of land, over 15m frontage & Zoned R3 for the potential construction of duplexes, this is a great opportunity for an astute buyer.
