Beyond the gorgeous facade with its unique double-arched verandah, this extended period home delivers a fabulous family lifestyle thanks to its versatile floorplan, quality inclusions and prime location. Ready to simply move in and start living, the home's impeccably-presented interior showcases four bedrooms (large master) all with built-in robes, as well as a private ensuite, main family bathroom with clawfoot tub and separate powder room. Further emphasizing its terrific design is the inclusion of an elegant front lounge and formal dining room, central study/library and spacious open-plan living/meals area to the rear adjoined by a timber-cabinet kitchen with granite benchtops and splashbacks, Miele dishwasher and 900mm Ilve oven. Filled with natural light, this captivating home also includes a large laundry, ducted heating and evaporative cooling, alarm system and CCTV, along with high ornate ceilings, original lead-light windows, stained timberwork and solid hardwood floors. Completing the picture is an alfresco-style entertaining deck with cafe blinds and private backyard garden with 2000L watertank, plus a large workshop/storeroom and double carport via secure side driveway (remote-control rollerdoor). Along with the open spaces of Woodlands Park around the corner, it's also close to Mt Alexander Road trams, North Essendon Village shops and eateries, as well as easy access to schools (zoned to Essendon North PS and Strathmore SC), Strathmore Station and Citylink.
