Set on a generous 950 square metre level block, this old timer offers fantastic potential to renovate and add value, extend or develop the block further. The conventional plan features 3 bedrooms, lounge room with open fire place, original kitchen and bathroom and external laundry. The property has a long frontage to the rear laneway and there is plenty of space to build a large garage or workshop. An established neighbourhood with great supporting values. Not many original cottages like this left in Wallerawang.
