Discover the epitome of comfort & style in this much-loved 5-bedroom, double-storey haven, nestled in an elevated position with enchanting countryside views. The owners are reluctantly parting with their dream home as they embark on an interstate adventure, presenting you with a rare opportunity to make this gem yours. Five generously sized bedrooms upstairs offer room for the whole family or guests, experience culinary delight in the near new kitchen, equipped with modern appliances & ample counter space, perfect for creating delicious meals. Indulge in the luxury of your new bathroom, designed for relaxation & rejuvenation. Unwind in the expansive master bedroom with hardwood floors, a private ensuite, offering a tranquil escape at the end of each day. Embrace sustainable living with the included solar panels, reducing your environmental footprint while enjoying energy savings all year round. Host gatherings in style on the large undercover entertainment area, creating cherished memories with friends & family. The double garage features brand-new roller doors, providing convenience & security. Simply unpack, relax, & start creating your own memories in this remarkable residence. The owners' interstate move creates an unmissable opportunity for you to secure this much-loved home. Say goodbye to long commutes & enjoy the convenience of easy access to public transport including Oak Flats train station & the nearby M1. Additionally, the nearby Stockland Shellharbour caters for all your retail needs, providing an array of stores & services just moments away.
