This lovely family home in one of Highton's blue-chip pockets is not only position perfect but move in ready. Having been lovingly cared for and maintained it not only retains its historic appeal but has the modern twist of an updated bathroom and kitchen. All bedrooms have exceptional storage space and built ins and this theme flows from the hallway and into the kitchen. The central bathroom has also had the update. Not only do you have the typical lounge dining combination but the huge bonus of a family/ entertaining room to the rear just perfect for the kids or second area for your choice of what's on Telly. This opens out onto an undercover BBQ area that in turn spills out onto the backyard and garage. Located in a most convenient nest of homes that benefits from the close proximity to Porter Ave shops, Christian College, McDonald reserve, Clairvaux and an easy cruise to Waurin ponds Shopping Centre this the ideal family home in all respects. The final piece of the puzzle is the most reasonable price. Make your move now.
