This is so lovely you must see to believe! Beautifully renovated throughout. Stunning polished timber floors. The kitchen and bathroom are show stoppers. I'm envious of the 900 stainless steel gas cooker in the practical kitchen. You enter to the spacious open plan lounge with adjoining dining and kitchen. The bathroom is both classy and functional. The carport has room for multiple cars and opens to a garage for either hobbies or more parking. This home has a beautiful tranquil rear garden with a stunning feature arbor draped with a grape vine. Don't miss out on this stunning home that is freshly painted and fully renovated and is complete with solar panels and roller shutters. All you need to do is send out your house warming invites. * Images may include virtual furniture *
