Situated in the ideal location - straight opposite the school, 2 minute walk to the pool, gym, showgrounds & town centre but in a quiet street! This home is a "renovator" for sure, but within the realm of possibly, the home has some character that you will not find in modern homes! Upstairs you have an entry room, kitchen/dining area, 2 x bedrooms and a bathroom. Downstairs there are several small rooms that could be renovated, or open the whole thing up to a cool, light entertainment space! The back yard has a bore & 2 stables that could be transformed into shed space if that was your preference. Buy cheap and add your own taste to this interesting and inviting property!
