Include swimming, fishing and beach walks here at this great seaside family home at beautiful Hellyer Beach. Located only 150m from a 2.5km long pristine sandy beach or sheltered river mouth, this sturdy 3 bedroom brick home offers an awesome lifestyle. Open plan living with polished timber floors, 2 bathrooms (one has spa), and covered bbq/entrance areas either side of home. There's ample shed space with the 10x7m workshop plus a double carport at the rear of the home offering plenty of covered vehicle space. There's also a 4KW solar system to keep those electricity bills low, water supply from a large in ground rain water tank and sand spear for the garden. As Honey Richea Rd is no-thru street, it's very quiet with minimal traffic. Wake up to the sound and smell of the ocean at this great property.
