This gorgeous home is flooded with natural light and has been stylishly updated throughout. The light filled open plan living area is the hub of the home, offering year-round comfort with split system air conditioning and gas heater. The adjacent kitchen features charming blue tiling, stainless steel appliances and dishwasher. Offering two generous sized bedrooms, master with built in robes, a stylish family bathroom and separate laundry with plenty of storage further completes this functional floorplan. Surrounded by low-maintenance immaculate gardens, the backyard is private and includes a double garage with remote door. Perfectly located in close proximity to schools, supermarkets, sporting and recreational facilities, Vic Park and the CBD, it doesn't get much better than this.
