\$380 per week

This updated three bedroom home sits on a good sized block in a popular street . The property is light and bright, and offers a reverse cycle heat pump to keep you comfortable in all weathers. The combined living/dining area allows for relaxed living, and the modern bathroom is spacious and functional. There is a laundry at the rear of the property, from where the deck opens on to the garden. The older style garage/shed offers useful storage space, while to the side of the property there is a pleasant lawned area for relaxing afternoons, or childrens' play. With close proximity to the Maydena Bike Park, Mt Field National Park, Junee caves, Tyenna River, Styx Valley of the Giants and many more, this is a very popular area for singles and families alike. Bus services run to the local schools for both primary and high school, and the town of New Norfolk which offers medical, banking and all other facilities is approximately 35 minutes' drive away.
