This spacious 4 bedroom family home has been designed around the outlook and easy care living. The master bedroom features a spa ensuite with all rooms having robes. There are separate lounge, dining and family rooms with the kitchen designed with the chef in mind. A full length Queensland room is the ideal place to relax with family whilst the drive through double garage has electric roller doors. Easy care gardens add further appeal with the shops and schools being close by with Sawtell's popular café strip and pristine beaches being less than 5 minutes away by car. Arrange your inspection today, you won't be disappointed.
