The position of this home is excellent and the suburb has always been Townsville's most sought after address. Minutes only from Lavarack Barracks, the hospital and James Cook University, the location can't be beaten for convenience for students, defence personnel or those who work in the health system. Stockland too is only 5 minutes away. Excellent too for those who must be close to a major medical facility. 4 bedrooms Air-conditioning A spacious tiled living room Separate dining A big kitchen and bathroom 4 car accommodation off the street Back patio Riverside walkways and cycling track are adjacent to the street
