An affordable and family friendly home in a very popular residential area with plenty of internal space, shady established gardens and close to lots of recreational space and native bushland. Room for everybody here with built-in robes in all four double bedrooms, separate carpeted lounge room flooded with natural light, family and dining space with gas heating, split system reverse cycle air conditioning and practical polished pine floorboards. Open to the family space and catching the morning sun the all-electric tiled kitchen has a dishwasher and good cupboard/bench space. A dual access separate toilet with its own vanity, tiled bathroom with shower recess, full bath, vanity and tastic. Handy built-in storage in the laundry as well as a hallway linen press. The securely fenced back yard is a treat with lots of shade, six by five meter paved pergola and a hobby or storeroom with power. Safety switches have been installed and the drive through access and double carport is very convenient. Property Code: 2886
