This is the one you have been waiting for! With excellent street appeal and a homely feel, in an elevated cul-de-sac location, this is the one you need to view this weekend! It's not often you get a home with such character in this area and space for a caravan, boat, and extra cars on a 723m² block. This one is also in immaculate condition and has had extensive renovations over the years. This Queenslander/Homestead inspired home was built in 2000 and truly creates the feeling of home as soon as you walk in the door. With such a grand beauty on offer, you will want to make this yours. Step outside onto a beautiful deck that offers suburban views with finishes to complement the exterior of the home such as hardwood timber floors, hardwood staircases, and high ceilings. The summers will be cool sitting on the deck catching the breezes. Offering 4 bedrooms, 3 bathrooms, multiple living areas with a kitchenette downstairs to offer dual living, two car accommodation plus plenty of space for a large shed or somewhere to park your caravan or boat. The amount of space this substantial home has to offer is more than enough for the whole family! Cleverly designed to capture year-round breezes with its elevated positioning and well-thought-out floor plan, there was a lot of thought put in when it came to designing this beautiful home. The kitchen, being the heart of the home, joins the deck and features stone benchtops, a dishwasher, high-end appliances, a 900mm freestanding SMEG cooktop, and oven, all in as new condition. The kitchen will definitely impress.
