Original, with the significant exception of a brand new kitchen, this three bedroom home's enticing spaces are accompanied by an impressive allotment where the size of the garage/studio, the workshop and the off street parking are immediate highlights. Conveniently located, complemented by easy scope to add to the updating that the kitchen represents, this is a family residence with outstanding upside. A series of distinct, dedicated living zones. Lounge, separate dining and family room. Meals area adjoining the brand new kitchen. Large benches and stainless steel appliances. Main bedroom with walk-in robe and ensuite. 2 further bedrooms both include built-in robes. Family bathroom, bath and separate shower. Large separate laundry with a second toilet. Huge studio, easily returned to its garage role. Generous rear garden, substantial workshop. Ample additional off street car parking space Proximity to Seabrook Primary School, Aircraft station, the Skeleton Creek Trail and freeway access illustrates the attraction of the location, with shopping options and recreation facilities readily reached as well.
