There's nothing better than walking into a home and being able to instantly imagine your life there, and this home certainly delivers. Enriched with abundant space, flawless functionality, and unquestionable style, it's a substantial retreat that embraces the desirability of easy, modern living. Four separate living zones ensure plenty of room for families large and small, with a well-appointed kitchen and large alfresco terrace meaning entertaining will no doubt be a regular occurrence. The placement of the bedrooms has also been thoughtfully designed, with the master suite tucked away from the remaining three rooms for enhanced peace and privacy. Impeccably presented and ready for you to enjoy, this exceptional home will effortlessly provide everything you need to ensure both practicality and ultimate comfort.

- Clever wall design creates a subtle unity between the formal living area and large family room, which also features a slow combustion fire
- Separate media room provides another living space, as does a children's activities area/home office space
- Striking contemporary kitchen is the hub of the home, very well equipped and incorporating a casual meals bench
- Master bedroom at the front of the home includes a walk-in wardrobe and a modern ensuite
- Three further bedrooms are each fitted with built-ins, and share access to the large main bathroom
- An activities area/home office is placed next to these bedrooms, ideal for families, allowing children to have their own space
- Lush, manicured hedging ensures perfect privacy both in the fully fenced backyard and while entertaining on the covered patio
- Double lock-up garage offers internal home entry, with the added bonus of separate side access for your caravan or boat
- Ducted heating/cooling provide comfort throughout the seasons, while a good-sized laundry, water tank and garden shed will also be of appeal
- Located in the heart of Renwick, and benefiting from being moments to both Mittagong and Bowral, and the Hume Motorway
