Bordered by established trees offering privacy and tranquility, this sprawling land parcel with panoramic views provides the perfect backdrop for your dream home. Located in an established estate with no through access and surrounded by quality homes, you will enjoy the exclusivity this position affords. Spanning a generous 2,371sqm, this elevated, battle axe parcel offers a sense of seclusion while being just 3 minutes to Figtree Private Hospital, High School and Primary School. Also noteworthy is the subdivision potential (STCA) this property affords, making this an opportunity also suitable for investors looking to expand their portfolio.
