The exterior is both inviting and practical. The wide-fronted brick veneer single-story design is complemented by charming timber shutters to the windows. A neat concrete driveway is framed by a lush lawn and Australian natives. The double lock-up garage and welcoming portico provide convenience and curb appeal. Backing directly onto the prestigious Kambrya College and Brentwood Park Primary School, making it ideal for families. Educational facilities are plentiful, with Federation University, private schools, and higher education institutions just a short drive away. The convenience of being near Monash Health Casey Hospital is invaluable.
