Harness the enormous lifestyle advantages of a vibrant locale and completely transform this freestanding two bedroom house, or bring your brand new dream home to life in its place (subject to relevant approvals). On land of 6.1m x 30.5m, totalling 186m² (all measurements approximate), it's currently uninhabitable and more than ready for your vision. With a layout leading past bedrooms to a living room, kitchen and bathroom, it's up to you how best to use the space. Cafes, Batman Station and Sydney Road trams are a short walk, along with Lincoln Mills Homemaker Centre and gyms. Peaceful Coburg Lake Reserve and dynamic Pentridge Village shops, cinemas, restaurants and bars are also all nearby, and schools within easy reach. With the city's heart less than 10 kilometres to the south, this is a brilliant place to base your future.
