A Williamstown setting that delivers outstanding desirability due to its proximity to The Strand, the water and Douglas Parade creates an enviable context for a property accompanied by plans and permits for a spectacular new residence. The welcoming mood of today's 5 bedroom home, updated and inviting throughout, is set to be replaced by the sheer contemporary luxury of planned proportions including superb living, dining and entertaining areas that will flow to an alluring pool and alfresco terrace. A dedicated study and a kitchen with a substantial walk-in pantry and a wine room will add to the downstairs allure beneath 4 sublime bedrooms, each served by an elegant ensuite. Basement spaces for a gym, sauna, extensive storage and multiple garaging conclude a concept for bringing fresh brilliance to a fabulous location on a corner site featuring three street frontages!
