Immaculate in presentation, family inspired and full of character, 39 Stirling Circuit, Beaconsfield sits in a premium location opposite parkland and only a short distance to the Beaconsfield township, M1 freeway, and station. Sprawled across a highly functional layout that caters for all needs, both formal and informal living create warm and comfortable spaces. A generous family meals area incorporates a great sized kitchen complete with stone bench tops, stainless steel appliances, an abundance of cupboard space and walk-in pantry. Complemented by a spacious master suite serviced by a walk-in robe and ensuite, whilst three further generous bedrooms are all accented with built in robes and the central main bathroom. Additional features include ducted heating, reverse cycle air conditioning, internal garage access and separate storage room - just some of the many appointments to appreciate. Spoil yourself with an impressive alfresco area, providing the perfect destination for indoor/outdoor entertaining or relaxation. It's always a pleasure marketing a property on a spacious allotment, especially as block sizes in new estates getting smaller. This home sits on a glorious 775sqm parcel, adorned with attractive mature gardens framing a lavish back yard making the perfect setting for the kids to play and pets to run around. Make this beautiful property yours.
