FOR SALE

Beautifully and artistically renovated, this once in a lifetime opportunity to buy this exquisite property, presents the lifestyle you have been longing for! This quality built colonial brick homestead boasting high vaulted ceilings, adorned with magnificent silky oak windows and doors, has dual living at its very best. The designer kitchen with Cloudbust Caesarstone countertops complete with a lovely butler's pantry and a functional and delightful built-in bar. The pool can be viewed from the kitchen, further assimilating comfort and enjoyment of the kids. The media room is an enjoyable space where the family can come together for movie nights and relaxation. The most amazing parent wing boasts open fireplace in their private lounge, spacious bedroom with glorious river views, aesthetically pleasing bathroom, very generous walk in robe and private study for those work from home days. The 3 bedrooms on this level are spacious in size, have built in wardrobes and delightful views from all windows. The family bathroom has gorgeous tones and is located besides the very practical laundry with lots of storage. Downstairs just shy of legal height is the brand new granny flat, which is very spacious and easy living at its best. The inground saltwater pool with cabana and landscaped gardens is the perfect place to relax and cool down. The separate standalone games-room pavilion, is ideally positioned for functions or just family fun. The half court purpose-built basketball court, doubling as an entertaining and play area, along with a high quality fully adjustable Perspex/glass basketball post. And yes, there is the floodlit tennis court with newly laid astro turf. 2 magnificent acres of landscaped grounds, established gardens, fabulous trees, creates a lush tranquil garden complemented with a water fountain and seats for contemplation. The property is very easy care and maintenance, but will be sure to impress you. Double garage with internal access, additional covered parking for 4 further vehicles, boats, equipment, cars. Plus, there is a huge enclosed workshop, large enough for all those lifelong wishlist projects, storage racks and benches. Expansive views to the river affording breathtaking sunsets this property will capture your heart and will tick every box you ever wanted in your new home.
