Loving the log cabin look and stone features? This one could be for you! A family sized home featuring 4 bedrooms, lounge and sunny family room with a mezzanine floor. A walk-in pantry features in the kitchen along with a breakfast bar and island bench. The views across the valley below are quite spectacular. Although the 1.4 ha block is sloping the area around the house is flat and 3 other flat areas make ideal spots for some veggie gardens or maybe another shed to complement the existing shed. Located only a short 13 minute drive to the city of Burnie, the beautiful beaches of Preservation Bay and Sulphur Creek and the town of Penguin with its beachside main street cafes and restaurants. Nearby is Natone Primary School and the school bus provides transport to secondary schools.
