Ever thought of buying acreage but don't know where to start? Look no further than 394 Murphy Rd, Captain Creek. It's got all the essential infrastructure in place already whilst also being enough of a blank slate to make it your own. A large barn-style shed with mezzanine allows for the storage of multiple vehicles including large tractors or BIG boats. The smaller 6m x 6m shed has a kitchenette area with the toilet and shower. Power is connected to both sheds. Included in this property is your own private oasis, towards the back of the property is a tropical, rainforest lined waterhole which flows freshwater during the summer months. Only a short 15 minute drive to the heart of Agnes Water with grocery stores, cafes, surf beaches and more. You will get the best of both worlds, peace and quiet amongst the trees while being just a short drive to the most northerly surf beach in Queensland. Please note that old photos have been used for illustrative purposes only and may not be an exact representation of the current condition of the property.
