Join the thriving South Ripley community offering abundant parklands, including shade sailed Mirrigin Park almost on your doorstep. Witness the booming infrastructure, and become part of the rapid population growth experienced by this area. The popular Ripley Town Centre, featuring a Coles supermarket, is located within a short distance, as are the Ripley Valley primary and secondary schools. The M5/Centennial Highway arterial, which is a similarly short distance, together with the frequent bus services provided, really makes this such a favourable position. Springfield shopping centre is also only a 15 minute drive away. This block does offer the best of both worlds, combining a country feel yet in a convenient location.
