Roll A Your Sleeves And Enjoy The Outlook Yes, this property will need a bit of work, but look out the back! Clear Lake at you back doorstep. Previously the Clear Lake School house, this property offers plenty of potential for whatever you have in mind. Located in TZ (Township Zone) this block has flexible usages for someone wanting a property with multiple uses. The home itself comprises of 3 good sized bedrooms, kitchen overlooking the lake and separate lounge. Currently there is no power or water connect, however both available. There are signs of white ant damage to the floor throughout the home and the home requires a good clean! If you are on a budget and willing to roll your sleeves, this is a great opportunity with a superb outlook.
