“This is the first house we have designed in Brisbane and the first of a line of attractive other 3 houses in the pipeline. Looks like Brisbane is the place to be in Australia and moreover the Brisbane river is the equivalent of the Sydney harbour. This house is designed as a long ship ashore, with three decks levels hovering overlooking the river, the lower one with a swimming pool and a floating stair, the second level is the main entertaining area with plenty of space for the deck chairs, and the top floor has the captain bridge extruded out of the master bedroom” Luigi Rosselli – Architect

Promising to make you feel as if you've escaped to an exclusive retreat tucked away in nature, this five-bedroom landmark home presents a truly incomparable opportunity. Intelligently designed by the renowned Luigi Rosselli Architects to complement its riverfront setting, this tri-level property with a swimming pool, a wine cellar and a rare five-car garage is ideally positioned in one of Brisbane's most prestigious streets. Boasting an outstanding 15-metre riverfrontage and a northern aspect that captures refreshing breezes, the residence has been crafted to be reminiscent of a long ship. Looking out across the majestic Brisbane River to tree-dotted Saint Lucia beyond, the home is serviced by a lift on all three levels and includes:

- Grand sandstone-clad facade that sets the luxurious standard from the outset, as well as a gated entry and landscaped gardens by Grow Collective-Tongue-in-groove oak flooring, lofty 2.9-metre-high ceilings, full-height curved glass, a magnificent curved staircase, custom pendant lights and a suspended concrete slab design-Incredibly spacious open-plan living and dining area on the middle level, serving as a spectacular place of gathering
- Sleek adjoining kitchen displaying a large breakfast bar, 30-centimetre-thick Carrara marble benchtops, ample cupboard storage, ample cupboard storage, a butler's pantry, a Gaggenau combi steam oven, two integrated Miele dishwashers, a Zip tap, a built-in Liebherr fridge/freezer and a Gaggenau induction cooktop
- Dedicated study, a generous media room and an attached courtyard, all providing excellent 'break out' spaces-Large covered alfresco area encompassing an outdoor kitchen with a BeefEater barbecue and an integrated Liebherr wine and beverage fridge
- Grassed rear yard and gardens cascading towards the riverfront and an eight-metre pontoon-Lavish infinity-edge saltwater in-ground swimming pool and an enviable fireplace
- Opulent master suite upstairs featuring a captain's bridge-inspired balcony commanding breathtaking river views, plus a walk-in robe and a luxe ensuite
- Three additional bedrooms; one is ensuited and the remaining two are serviced by a well-appointed main bathroom-Ensuited fifth bedroom on the middle level that is ideal for guests or older generations
- Another sizeable living area on the ground level showcasing an impressive fish tank, a wet bar and an accompanying bathroom
- 400-bottle wine cellar with opportunity to expand and a custom artwork by Brisbane street artist Sofles
- Drive-in secure six-car garage and vast amounts of storage
- Middle-level laundry benefitting from a chute
- Daikin 56-kilowatt four-system air-conditioning, a C-Bus home automation system, Cat 6 cabling in all rooms and rooftop gardens
