Where can you buy 3 beds, 2 baths, 2 living areas, double garage (side by side), Torrens Title, well under \$500,000 and a long term tenant if you want them? For a long time (10 years or so) these properties have stood the test of time and values have increased dramatically. However with the shortage of supply, of all types of housing and the slim possibility of new homes being created in time, these very spacious and unique properties (so much accommodation) are attracting huge attention in the market place. With 3 double bedrooms, 2 bathrooms, (ensuite and dressing room to main bedroom), 3 toilets, 2 living areas, (lounge, family/meals), exceptional kitchen with dishwasher, gas hotplates, under-bench oven and pantry. Double garage, ducted split system air-conditioning and paved outdoor living area, makes for great family accommodation. As an investment or first home buyer, current market trends make this property a very attractive option and competition will be keen. Be first to make an offer today, it's outstanding value for money. TAPLIN GROUP OF COMPANIES - RLA 994
