In the reliable Brimpaen district 640 acres of picturesque red gum country is being offered for sale by the Wollerman family. Divided into 3 paddocks all watered by catchment dams, the property is situated on the Henty Highway. This property has the ability to be cropped or grazed with fencing predominantly plain wire and steel posts. It would be a fantastic addition to a cropping operation, with livestock to be run over the winter. Situated 50 kilometres from Horsham with Grampians and Black Range views, this could be an ideal location for your dream home. For inspections please contact the agent. Expressions of interest close Thursday 30th of November at AWN Horsham office, 4pm.
