Beyond the attractive facade, this contemporary home delivers a terrific low-maintenance family lifestyle with its adaptable floorplan, delightful outdoors to enjoy and prime location in one of Keilor East's most popular pockets. Filled with natural light, the home's impressive interior comprises three bedrooms (downstairs master with WIR and private ensuite), as well as a main central bathroom and guest powder room (third WC). Further emphasizing its excellent design is the inclusion of a dedicated study and separate retreat (both upstairs), spacious open-plan living/dining area and stone-bench kitchen complete with large walk-in pantry, Smeg cooking appliances and dishwasher. Other stand-out features include zoned ducted heating/refrigerated cooling, alarm system, solar power, solid hardwood floors and stylish plantation shutters, along with a full-size laundry and linen storeroom. Double sliding doors reveal an alfresco entertaining deck and sizeable backyard with lush lawn and established perimeter gardens, plus a remote-control garage with internal entry and two additional driveway parking spaces. A choice of bus routes around the corner along with the open spaces of Rosehill Park, it's also close to Milleara Shopping Centre, popular schools and kinder/childcare facilities, as well as easy access to the Calder Freeway and Ring Road.
